“Making Magical Habitats” A Heritage Lottery project

Itinerary

Oct 2015 - Jun 2016

- Welcome & Orientation - Gill Taylor
(Safety First)
- Tool Safety And Planting Demonstration - Dave Brackley
- Planting Session 1
- Break For Drinks
- Planting Session 2
- Lunch Break
- Planting Session 3
- Day Ends 2.30/3Pm

During the day, each group will take part in a mini art project creating a memento of their time at the farm, as well as an overall project art piece using hand printing entitled: “I had a hand in planting”.

These pieces will initially form part of an exhibition showcasing the project and will be delivered to school or groups after that as a keepsake. There is flexibility for Gill to visit groups and schools after their visit to complete the art project if necessary.
